ABOUT 4LIFE

4LIFE is a sporty 26-meter Princess motor yacht built in 2013 and recently refined with a comprehensive 2025 refit, positioning her as an exemplary choice for those seeking refined comfort across the Greek islands and Eastern Mediterranean. Her contemporary elegant interior features rich woods and neutral furnishings that create a warm yet sophisticated ambience, flooded with natural light throughout generous guest areas. The main salon offers ample plush seating and entertainment options, while the formal dining table seamlessly accommodates all eight guests in style, creating the perfect backdrop for leisurely suppers at anchor.

Accommodation comprises four elegantly appointed cabins—two doubles and two twins—each with private en-suite facilities and full air conditioning. The yacht's exterior spaces are equally impressive, with a spacious aft deck ideal for al fresco dining and a flybridge offering panoramic sea views and dedicated sunbathing areas. A standout feature is the sinking swimming platform with direct sea access, complemented by an array of water toys including a Seabob F5S, jet ski, water skis, and a large tender with Mercury 40HP outboard, ensuring endless water-based entertainment.

Powered by twin CAT 3,850hp engines, 4LIFE achieves a maximum speed of 27 knots with a comfortable cruising speed of 18 knots, making her ideal for seamless movement between secluded bays and vibrant harbors. Zero-speed stabilizers provide exceptional comfort even in challenging conditions. Based in Athens and perfectly sized at 26 meters for effortless access to Greece's most exclusive anchorages, 4LIFE operates as a fully crewed charter yacht across the Cyclades, Aegean, and broader Eastern Mediterranean. The vessel accommodates eight guests in sleeping configuration with capability for ten in cruising mode, making her exceptionally versatile for families, intimate groups, or multi-generational escapes.

The dedicated four-person professional crew brings genuine Greek hospitality and expertise to every moment. Their attentive service and meaningful interactions transform the 4LIFE charter experience into something that transcends typical yacht hospitality. From sourcing fresh provisions at local markets to crafting thoughtful itineraries that balance exploration with relaxation, the crew ensures every detail reflects your preferences and interests.

For those seeking a polished platform combining performance, contemporary elegance, and authentic Mediterranean hospitality, the 4LIFE charter delivers an unforgettable experience. Charter rates begin from EUR 35,000 per week, scaling to EUR 45,500 during peak summer months.
