ABOUT APHRODITE

Constructed in 1969 at the renowned Psaros Shipyard in Perama, Piraeus, Aphrodite is a classic wooden kaiki motor sailer and the most splendidly preserved vessel of her dimensions. Her interiors boast lustrous wooden finishes, offering an air-conditioned haven for eight guests. The elegantly designed salon is merged with a dining space, and the recently refurbished master suite makes her a dream setting for honeymooners. The sun deck features generous sun awnings, full-length sun pads, and a shaded lunch and wet bar area for 8. Ample deck space beckons guests to leisure activities under the sun.
