| ABOUT BERNUSH

BERNUSH is a 2023 Cranchi Z35 — Cranchi's sporty 11.55-metre open day cruiser, in excellent condition and based in Çeşme on the Turkish Aegean coast. With clean lines, a generous cockpit, and the brand's signature build quality, she's an ideal compact motoryacht for day-cruising the Çeşme peninsula, the Karaburun coast, and the Greek Dodecanese islands a short hop across the channel.

Layout & accommodation

The Z35 maximises usable space at 35 feet — a spacious cockpit with C-shaped seating for day-guests, a sun pad forward, and a convertible cabin below that converts the day-cruiser into a comfortable overnight platform for short stays. A private head compartment with shower keeps the space comfortable for extended day-cruises and short overnight trips between Aegean anchorages.

Cruising grounds

Based in Çeşme, the yacht is perfectly positioned for the most desirable cruising in the Aegean — the Karaburun peninsula, Alaçatı bays, the Greek islands of Chios, Samos, and the northern Dodecanese, all within easy day-cruise reach.

Condition & history

Delivered in 2023, BERNUSH has seen limited private use under careful ownership. She comes complete with safety equipment, mooring lines, fenders, and the standard Cranchi factory specifications.
