ABOUT ELVI

ELVI is a distinguished 30.2-meter Posillipo motor yacht built in 2006 and comprehensively refitted in 2024, offering the perfect balance of classic Italian craftsmanship and contemporary luxury. This elegant vessel combines sleek, sporty lines with refined comfort, making her an exceptional choice for discerning charter guests seeking both style and substance in the Mediterranean and beyond.

The yacht's interior styling by renowned designer Carlo Trezzi creates an atmosphere of timeless elegance throughout her five well-appointed cabins. The full-beam master suite on the main deck provides superior comfort with a bathtub, while the remaining accommodations—including a VIP cabin, three additional doubles, and two twin cabins—offer flexible layouts to suit diverse guest compositions. ELVI accommodates up to 11 sleeping guests and 12 while cruising, serviced by a professional crew of six dedicated to ensuring an impeccable experience.

Outdoor spaces are a defining feature of this charter yacht. The expansive flybridge provides multiple lounging areas under a protective hardtop, complete with an L-shaped sofa, dining table, bar and grill, and forward-facing sunbeds for those seeking sunshine. The main deck aft features plush stern seating with an elevated alfresco dining arrangement perfect for memorable meals with views, while side walkways lead to a comfortable bow sofa ideal for morning relaxation. A generous swim platform at the lower deck stern provides direct water access and doubles as a prime sunbathing spot when the jet ski is stowed.

With a shallow draft of 2.2 meters, ELVI can access exclusive anchorages and pristine beaches unavailable to deeper-drafted vessels. She cruises comfortably at 21 knots with a maximum speed of 30 knots, enabling efficient repositioning and flexible itineraries. The yacht is equipped with comprehensive water toys including a 4.5-meter tender, jet ski, three Seabobs, water skis, wakeboard, SUP, and snorkeling equipment—ensuring entertainment options for all ages and interests.

Based in Athens, Greece, ELVI is available for charter throughout the Mediterranean and East Mediterranean regions. Her recent comprehensive 2024 refit ensures she is presented in immaculate condition with full air conditioning, modern Wi-Fi connectivity, and all amenities expected of a luxury charter vessel. Whether exploring the Greek islands, Turkish coast, or beyond, ELVI charter delivers an unforgettable Mediterranean experience combining sophisticated comfort with genuine adventure.
