ABOUT FOUR JOYS

FOUR JOYS is a 30.5-meter Maiora 30 Walkabout motor yacht delivered in 2023, representing the Italian shipyard's sophisticated blend of elegance, technology, and purposeful design. Built with a GRP hull and superstructure, she accommodates up to 10 guests across five thoughtfully appointed cabins—including a main deck master suite, VIP cabin, one additional double, and two twin cabins—all designed by Fossati Design Bureau. A professional crew of six ensures seamless service throughout your voyage.

The yacht's defining feature is her exceptional walkaround flybridge spanning 110 square meters, with helm controls positioned entirely on the bridge to liberate the entire upper deck for guest use. This intelligent layout transforms the flybridge into an extraordinary entertainment and relaxation space, complete with a custom-built bar and dining table seating ten beneath a protective hardtop. The bow area provides a secluded retreat with sunbeds, while the main deck aft offers alfresco dining overlooking the elegant beach club swim platform.

FOUR JOYS delivers both capability and comfort. Powered by twin MTU 12V2000 M96X engines, she achieves a cruising speed of 17 knots with a maximum speed of 22 knots, offering a generous 1,350-nautical-mile range. Zero-speed stabilizers ensure refined motion at anchor or while cruising, while comprehensive air conditioning and complimentary WiFi maintain modern connectivity. The side tender garage discreetly houses a Williams Jet Tender, and the beach club provides direct water access for swimming and water sports.

Based in Kalamata, Greece, FOUR JOYS operates throughout the Mediterranean and Turkish Riviera—ideal cruising grounds for guests seeking both cultural immersion and pristine anchorages. The yacht's customized design and contemporary features create an extremely versatile platform whether you are entertaining large groups, exploring coastal hideaways, or enjoying extended voyages. Her combination of spacious social areas, private retreats, and practical amenities makes FOUR JOYS an exceptional choice for charter, available at EUR 95,000–105,000 per week.
