ABOUT IPANEMAS

Motor yacht IPANEMAS represents the pinnacle of Italian superyacht engineering, delivered by the renowned Tecnomar shipyard in 2012 as the Nadara 45—at launch, their flagship tri-deck planing yacht combining high performance with refined comfort. Built to the highest technological standards, she underwent a comprehensive refit in 2019, ensuring her systems, styling, and guest amenities remain immaculate and contemporary. This 45-meter vessel seamlessly blends elegant modern design with functional luxury, offering three expansive exterior decks ideal for entertaining and relaxation across the Mediterranean and beyond.

IPANEMAS accommodates up to twelve guests across six cabins comprising one master suite, three VIP cabins, and two twins, attended by a professional crew of nine dedicated to delivering exceptional service. Her interior, designed by Tecnomar, showcases spacious, light-filled areas with sophisticated contemporary décor that creates an inviting atmosphere throughout. The open-plan salon and dining area flow naturally into a dedicated skylounge, establishing multiple gathering spaces for diverse guest preferences. An indoor gym on the main deck caters to those wishing to maintain their fitness routine, while the eight-person Jacuzzi on the sundeck provides the perfect setting for evening relaxation overlooking the sea.

Operationally, IPANEMAS delivers impressive performance with twin 3,650 HP MTU engines driving her to a maximum speed of 24 knots, with a comfortable cruising speed of 20 knots that maximizes fuel efficiency without compromising time at destination. Advanced stabilizers ensure smooth cruising in varying sea states, while state-of-the-art audio-visual systems and comprehensive WiFi connectivity allow guests to stay connected or simply enjoy entertainment in style. The yacht's expansive water toys collection—including three jet skis, tender options, kayaks, SUP boards, water skis, and snorkeling equipment—ensures endless opportunities for active guests and water enthusiasts.

Based in Athens and established within Divas Yachts' fleet since 1972, IPANEMAS charter operates throughout the East Mediterranean, Greece, and increasingly across Dubai and Red Sea destinations. Available from €125,000 to €150,000 per week depending on season, this meticulously maintained Tecnomar motor yacht offers discerning charterers the ideal blend of performance, style, and guest comfort for unforgettable Mediterranean explorations and beyond.
