ABOUT LAZY DAYS

LAZY DAYS is a timeless 24.38-metre Ferretti motor yacht built in 2002 and comprehensively refitted in 2020, representing an excellent opportunity for discerning clients seeking authentic Mediterranean luxury without compromise. This well-established charter yacht combines Italian engineering excellence with contemporary comfort, making her an ideal choice for both intimate couples' retreats and family adventures across Greece and the East Mediterranean.

The yacht's interior was designed by the acclaimed Zuccon studio and features warm cherry wood panelling, neutral soft furnishings, and a light, airy atmosphere throughout. The spacious main saloon anchors the living spaces with a generous U-shaped sofa, opposing love seat, and state-of-the-art entertainment systems, while the full-beam master cabin provides superior comfort for the principal guests. Three additional cabins—a VIP cabin, twin cabins, and a convertible cabin—comfortably accommodate up to nine guests, each appointed with contemporary furnishings and climate control.

LAZY DAYS excels in outdoor living. The expansive sundeck provides generous sunbathing and shaded lounging areas, while a dedicated swim platform and comprehensive water toy collection—including a Zodiac tender with outboard, jet skis, Seabobs, SUP boards, water skis, and fishing equipment—encourage active engagement with the sea. The yacht's dual alfresco and indoor dining options accommodate flexible entertaining, essential for extended charters.

Operationally, twin Caterpillar engines delivering 1,420 horsepower each give LAZY DAYS a maximum speed of 31 knots and comfortable 26-knot cruising speed, allowing efficient transits between cruising grounds while maintaining fuel efficiency. Her professional crew of four, experienced in family-friendly charters, ensures seamless service throughout your voyage.

Based in Athens, Greece, LAZY DAYS operates throughout the Eastern Mediterranean and Aegean Islands, visiting celebrated destinations including Mykonos, Paros, Lefkas, the Dodecanese, and the Turkish Riviera. Her meticulously maintained condition and established charter reputation reflect the owner's commitment to excellence.

From €28,000 to €32,000 weekly, LAZY DAYS offers exceptional value within her category, delivering the superyacht experience to clients seeking proven quality and reliable service in Europe's finest cruising waters.
