ABOUT NEW HORIZONS 2

NEW HORIZONS 2 is a contemporary Fountaine Pajot Saba 50 catamaran that exemplifies the French builder's reputation for spacious, comfortable cruising yachts designed for both relaxation and exploration. Built in 2016 and refreshed with a comprehensive refit in 2017, she represents a modern approach to luxury catamaran chartering in the Mediterranean. At 15.15 meters in length with a generous 7.99-meter beam, the yacht offers the expansive living spaces and stability that define the Saba design philosophy.

Accommodating up to 11 charter guests across six cabins, NEW HORIZONS 2 delivers considerable flexibility for families, groups of friends, or corporate retreats exploring the Greek islands and surrounding Aegean waters. The interior showcases contemporary design with an open-plan main salon featuring ample seating and formal dining, while the galley positioned to port creates an inviting social atmosphere. All accommodation areas include air-conditioning and modern conveniences, ensuring comfort during warm Mediterranean summers.

The yacht's exterior spaces are particularly noteworthy. The expansive aft deck provides shaded alfresco dining and generous seating, with direct access to the main salon, while the bow offers fitted sunpads and safety trampolines ideal for sunbathing. An upper flybridge houses the helm station alongside a dedicated sunning area, providing multiple vantage points to enjoy the azure waters and dramatic coastlines of the Cyclades. Twin 75-horsepower Yammer engines deliver a cruise speed of 8.5 knots with a maximum speed of 10 knots, making her efficient and capable across varying sea conditions.

Guests on NEW HORIZONS 2 benefit from a professional crew of three, complemented by thoughtfully curated onboard amenities including a good selection of water toys, WiFi connectivity, and contemporary styling throughout. Based at Marina Alimos in Athens, she is ideally positioned for charters throughout the Cycladic islands, including iconic destinations such as Mykonos, Paros, Milos, and Santorini. NEW HORIZONS 2 charter represents an excellent value proposition for those seeking comfortable, well-appointed catamaran cruising in one of the world's most enchanting sailing destinations.
