ABOUT WHITE KNIGHT

WHITE KNIGHT is a distinguished 40-meter Maiora motor yacht that exemplifies Italian shipbuilding excellence and contemporary luxury. Delivered in 2008 and comprehensively refitted in 2021, she represents the pinnacle of modern yacht design, arriving in immaculate condition with all systems and aesthetics refreshed to the highest standards. This successful charter yacht combines sophisticated engineering with refined living spaces, making her an ideal choice for discerning guests seeking both comfort and performance.

The yacht's interior styling reflects a contemporary design philosophy centered on elegance and light. Chic white furnishings, soft ambient lighting, and exquisitely crafted wooden floors throughout create an atmosphere of understated sophistication. WHITE KNIGHT accommodates up to 12 guests across six modern cabins, comprising one master suite, three double cabins, and two convertible cabins, each meticulously appointed to provide maximum privacy and comfort. The generous interior spaces allow guests to unwind and entertain with ease, whether gathering in salons or retreating to private staterooms after days of exploration.

Operationally, WHITE KNIGHT is built for both comfort and performance. Equipped with stabilizers for smooth cruising at her 18-knot cruise speed, she delivers reliable, comfortable passages throughout the Mediterranean. A professional crew of eight ensures seamless service and attentive care throughout your charter. The yacht's robust construction—GRP hull and superstructure—combined with a maximum speed of 26 knots and gross tonnage of 271 GT, provides confidence in all sea conditions.

The exterior decks offer outstanding space for outdoor living, ideal for Mediterranean cruising. With an 8-meter tender included and ample deck areas for both active recreation and leisurely relaxation, WHITE KNIGHT caters to diverse preferences. Whether you are seeking al fresco dining under the stars, water sports adventures, or quiet moments in shaded retreats, the yacht's layout facilitates every aspect of the charter experience.

Based in Athens, WHITE KNIGHT is perfectly positioned for exploration of the Greek islands, Cyclades, and broader Mediterranean cruising grounds. At 105,000–120,000 EUR per week, she offers outstanding value for groups of 12, combining the security of a recently refitted, professionally crewed vessel with the authentic experience of Mediterranean yacht charter. WHITE KNIGHT awaits your next voyage.
